

FAMILIES ARE NECESSARY!

The mission of the organization Families Are Necessary, known as FANS of SRB, is to make every family member feel welcomed into the FANS community. Our goal is to encourage and facilitate family involvement in school programs that will aid in the educational, social, and spiritual enrichment of the SRB students. We encourage all parents, guardians, and other family members to volunteer their time to the SRB school community. This collaboration between families and staff will enrich the experiences of our community.

Thank you to all of our volunteers who have helped in the numerous events throughout the year sponsored by the FANS Group!
